

OIL SEAL FACTORY

企业简介
INTRODUCTION

We COS PLASTIC&RUBBER CO.,LTD are a professional manufacturer of seals. With our own design, research, producing and sale system, we provide our customers with quality parts - produced in a timely manner - at competitive prices. Our factory covers an area of about 20,000 square meters, with 120 employees. And we have adopted an ERP management system since 2008 to achieve the information management. As an ISO16949 registered manufacturer, our trademarks are "COS". Our main products are: oil seals, o-rings, rubber sealings and molded rubber products. There are more than 5000 kinds of oil seals and o-rings. And our custom-designed software also allows us to program a variety of seals, parts in both standard and metric sizes to meet just about any specific requirement. We produce quality seals, parts in a wide variety of materials and profiles for the following industries: motorcycles, automobiles, ships hydraulic, mining machinery, metallurgical and other industries. We have built our technical advantages by introducing advanced production and testing equipments, and constantly growing research department. We now can produce more than 80,000 items of quality seals per day. Our products are exported to more than 40 countries including Russia, Canada, America, Mexico, Brasil, Argentina, and so on. We have established the long-term cooperative relationships with many overseas companies.
